Alderwood Rest Home

Company Overview

Alderwood is a 70 bed Nursing Home/ Residential Care Facility. Our building has six separate home areas: five home areas for Nursing Home (11 or 12 beds), and one home area for Residential Care (11 beds). All are private rooms with private bathrooms.

Alderwood has a strong history of providing excellent care to our residents, in a beautiful facility, that we are very proud of. We strive to provide a positive environment for both our residents and our dedicated staff, and we are looking to add more great people to our team.

Working at Alderwood

Alderwood is one of Baddeck's largest employers. Each person on the Alderwood team bring with them unique perspective, experience and makes a direct contribution to our team, and to our residents. Working at Alderwood allows staff to make a difference in the lives of our residents and every role contributes in a valuable way to their overall well-being.
